ON-CAMPUS ACCOMMODATION

The University of Notre Dame Australia welcomes your interest in the student accommodation offered on our Fremantle Campus.

Before you apply for accommodation in our student residences, it is vital that you read through the information provided on this website (www.nd.edu.au/fremantle/halls-of-residence) so that you are aware of the kind of facilities we offer, and the expectations the University has of all students living on campus.

Our residences can provide a vibrant and fun place to live while you study at Notre Dame. The accommodation is ideally suited to people who are comfortable living in a community which is a blend of enthusiastic Study Abroad students (mainly from America), as well as students from around the world and Australia.

We care about the success of your experience as a resident of Notre Dame so it is important to understand that the Residential Halls are not suited for those students who prefer to live alone or in a quiet environment. OFF-CAMPUS ACCOMMODATION

Student Services provides contacts and a detailed listing of the accommodation providers around the Fremantle area. The Student Connect Officer focuses on accommodation options that are close to the University, with easy access to public transport.

ACCOMMODATION NOTICE BOARD

Student Services maintains an accommodation notice board for Notre Dame students to advertise and seek accommodation. The accommodation service is a referral service, therefore the listings of any available rental properties have not been inspected nor has any individual offering share opportunities been interviewed or police checked. Any lease negotiated between a student and a landlord or homeowner is the responsibility of the parties involved. No accommodation is pre-arranged or personally provided for individual students by Notre Dame. There is a link on the accommodation notice board for students to advertise that they are seeking accommodation also. Please visit notre-dame.squarespace.com for current postings.

Additionally, a range of off campus housing-related information is available from the Student Connect Officer. Please contact the Student Connect Officer at fremantle.housing@nd.edu.au or +61 8 9433 0550.

HOMESTAY

Homestay involves living with a family or person in a furnished room and house, sharing facilities, and in some cases, meals. This may take various forms such as a single person living in a unit, to a couple with children. In a homestay situation, you would usually be given a room, shared bathroom facilities and share communal living areas. Homestays are run through a number of organisations including: Nacel Australia - www.nacel.com.au and WA Homestay Network - www.homestaynetwork.org

The rates are from $200+ per week. A placement fee of approximately $240 may be charged.

For general information about homestay, please contact the Student Connect Officer at fremantle.housing@nd.edu.au or 08 9433 0550. To apply for homestay or for more specific queries please contact the provider directly.
