NOTRE DAME BROOME CAMPUS
The University of Notre Dame Australia is a Registered Training Organisation (RTO) offering nationally accredited education and training programs.

Notre Dame Broome is a unique place to study and learn. The small and friendly campus means students benefit from personal attention, a caring learning environment and dedicated staff. Admission to Notre Dame is a comprehensive process that takes into account all the characteristics, experience, knowledge and skills of a prospective student.

A key objective of the Broome Campus is to provide strong support for the process of reconciliation between Aboriginal and non-Aboriginal Australians. The Campus provides a supportive environment and offers an opportunity for non-Aboriginal and Aboriginal people to live together and to learn about Aboriginal health, history and culture.

PROGRAM OVERVIEW
This course is a medication administration training program for Enrolled Nurses.

This training program comprises two compulsory units of competency:

- HLTAP501A Analyse health information
- HLTEN507A Administer and monitor medications in the work environment

Supervised clinical placement: At the completion of the theory components and skill assessment participants are required to complete at least 80 hours of supervised clinical placement with satisfactory completion of the Clinical Placement Assessment Tool (CPAT).

PROGRAM COMMENCEMENT AND STRUCTURE
Start dates: Semester One intake only (February).

Delivery mode: Mixed mode (e-learning modules; Web based classroom; clinical laboratory skill sessions and clinical practicum)

Total course length: 4-6 weeks (16 hours per week self directed study; 1 hour per week contact with University facilitator) plus at least 80 hours clinical experience

QUALIFICATIONS AND RECOGNITION
The two competency units are the approved units of study that are essential requirements for medicines in the Health Training Package (HTP) HLT51612.

These units of study meet the Nursing and Midwifery Board of Australia’s requirement for Enrolled Nurses to administer medications.

Upon successful completion of these units participants can apply to the Board for removal of the notation ‘Does not hold Board-approved qualifications in administration of medicines’.

A certificate, statement of attainment, including results, will be provided upon successful completion.

PREREQUISITES
- Registered with NMBA as a Division 2 Nurse
- Language, literacy and numeracy skills to the entry level of Diploma in Nursing or equivalent
- Completion of an Enrolled Nursing program at Cert IV level or higher or equivalent
- Relevant work experience
- Interview

SKILLS RECOGNITION
Under the Australian Quality Training Framework (AQTF), competencies may be attained in a variety of ways. Recognition of Prior Learning (RPL) means recognition of competencies currently held, irrespective of when, how or where the learning occurred. This can be through formal or informal education and training, work or life experience.

If you can provide proof/evidence of learning before enrolling in the course you may be eligible for a reduced study plan. Further information will provided at interview or by contacting the Associate Dean or nursing lecturers for further information.

FEES
Enrolled Nurses undertaking the two units as professional development are required to pay fees for tuition. Concession rates and payment plans are available to eligible students. Fee cost is currently $750 and is subject to change.
Students also pay for learning resources and text books, as well as medical charges associated with vaccinations and Federal Police and Criminal Record Screening, if required.

**ACCOMMODATION**

The Broome Campus offers quality on-site accommodation in the Student Village. The Village is made up of the Student Hostel which provides short-term accommodation for students who attend ‘block study’ programs and the Student Housing which is made up of nine separate houses for students studying fulltime for at least one semester.

**FURTHER INFORMATION**

The information contained in this publication is designed as a basic course description. If you would like further information regarding the course, or information about admissions, fees or the University itself please contact the VET administration office telephone: (08) 9192 0638 or administration on telephone: (08) 9192 0601 or via email at broome.enquiries@nd.edu.au

Visitors to the University are welcome at any time. If you would like to look around the University and the facilities please contact the Broome Campus at the email address above or visit our website www.broome.nd.edu.au
