A U S T R A L I A

COURSE REGULATIONS

SCHOOL OF PHYSIOTHERAPY

**BACHELOR OF PHYSIOTHERAPY / BACHELOR OF
EXERCISE AND SPORT SCIENCE**
BPhysio/BExSc

**BACHELOR OF PHYSIOTHERAPY (HONOURS) /
BACHELOR OF EXERCISE AND SPORT SCIENCE**
BPhysio(Hons)/BExSc

COURSE CODES: 3407, 3408

THESE COURSE REGULATIONS ARE EFFECTIVE FROM 1.1.2016

SCHOOL OF PHYSIOTHERAPY

1. These Course Regulations apply to all students who are enrolled in the Bachelor of Physiotherapy/Bachelor of Exercise and Sports Science Award and the Bachelor of Physiotherapy (Honours)/Bachelor of Exercise and Sports Science Award; on the Fremantle Campus.
2. The Dean is the responsible Executive of these Course Regulations.
3. The contact officer for this document is the Senior Administrative Officer, School of Physiotherapy, Fremantle Campus.

MODIFICATION HISTORY

1. These Course Regulations are effective from 1 January 2016.

| Version | Date Amended | Modification Details | Name |
|---------|---------------|--|------|
| 1 | December 2008 | Amendments to course regulations | Dean |
| 2 | October 2009 | Amendments to course regulations | Dean |
| 3 | June 2010 | Amendments to course regulations | Dean |
| 4 | December 2010 | Amendments to course regulations | Dean |
| 5 | August 2011 | Amendments to course regulations | Dean |
| 6 | July 2012 | Amendments to course regulations | Dean |
| 7 | December 2013 | Regulations transferred to new template | Dean |
| 8 | November 2014 | Deletion of Honours components in the BESS award as BESS(Honours) is now a separate Award Amendments to course plan within course regulations | Dean |
| 9 | August 2015 | Amendments to clarify course regulations, WACE subjects and change in academic titles | Dean |

1 INTRODUCTION AND INTERPRETATION

1.1 Introduction

These Course Regulations apply to all students enrolled in the Bachelor of Physiotherapy/Bachelor of Exercise and Sports Science Award and the Bachelor of Physiotherapy (Honours)/Bachelor of Exercise and Sports Science Award; at The University of Notre Dame Australia.

These Regulations should be read in conjunction with the University's General Regulations and the School of Physiotherapy and School of Health Sciences Regulations.

1.2 Interpretation

The terms included in these Regulations have the meanings as defined in the University's General Regulations and the School of Physiotherapy and the School of Health Sciences Regulations.

1.3 Amendments made to Course Regulations

Unless otherwise specified, when amendments are made to the structure, content or academic requirements of these Awards, the amendments will automatically apply in accordance with General Regulation Section 1.7.

1.4 Applicability to Campuses of the University

These Awards are available on the Fremantle Campus only.

1.5 The Australian Qualifications Framework (AQF)

The Bachelor of Physiotherapy Award is a Level 7 AQF qualification.

The Bachelor of Exercise and Sport Science Award is a Level 7 AQF qualification.

The Bachelor of Physiotherapy (Honours) Award is a Level 8 AQF qualification.

2 ENTRY CRITERIA

2.1 General Criteria

The standard entry requirements for admission are detailed in the University's General Regulations and the School of Physiotherapy Regulations.

2.2 Additional Entry Requirements / Pre-Requisites

Additional requirements for entry into these Awards include:

School leavers are recommended to be studying ATAR courses or equivalent in English and Mathematics and at least one ATAR course in the sciences that include physics, chemistry, human biology and/or physical education studies.

For non-school leavers, previous university studies are required for entry to these Awards.

The STAT is not applicable for entry to these Awards.

2.3 External Accreditation Requirements

External accreditation requirements are applicable to these Awards.

The Bachelor of Physiotherapy Award and the Bachelor of Physiotherapy (Honours) Award are accredited by the Australian Physiotherapy Council.

3 AWARD REQUIREMENTS

3.1 Structure

- (a) For the structure of the Bachelor of Physiotherapy / Bachelor of Exercise and Sport Science refer to Appendix A.
- (b) For the structure of the Bachelor of Physiotherapy (Honours) / Bachelor of Exercise and Sport Science refer to Appendix B.

3.1.1 Compulsory Units

All units within these Awards are compulsory.

3.1.2 Elective Units

There are no Electives within these Awards.

3.1.3 Majors and Double Majors

There are no Majors or Double Majors available in these Awards.

3.1.4 Minors

There are no Minors available in these Awards.

3.1.5 Specialisations

There are no Specialisations permitted in these Awards.

3.1.6 Special Interest Units

There are no Special Interest Units permitted in these Awards.

3.2 Special Award Requirements

- (a) A student enrolled in these Awards is required to provide evidence of the following:
 - i. Criminal Record Screening through a National Police Clearance and/or the Western Australia Department of Health Criminal Records Screening Unit as prescribed by the School to meet the requirements of particular Health Facilities;
 - ii. Current Apply First Aid Certificate (Senior First Aid Certificate) or equivalent;
 - iii. Current Cardiopulmonary Resuscitation Certificate (updated annually);
 - iv. Immunisation (in accordance with 3.2b);
 - v. Medical Clearance using the form prescribed by the School; and
 - vi. Ability to meet any inherent requirements for the study of these Awards with or without adjustments that may be in place or are developed by the University.
- (b) As a legal requirement from both the University and the Facilities in which a student will undertake clinical placements, documentation is required to confirm vaccination and immunity in accordance with the current Health and Universities Agreement for Allied Health Student Clinical Placements (2005) and Schedules to that agreement or its substitute in place at the time.
- (c) A student undertaking clinical placements in areas within which they may be in contact with children will be required to obtain a Working with Children Card as specified by the Working with Children (Criminal Record Checking) Act 2004.
- (d) A student undertaking clinical placements or experiences in areas involving aquatic or hydrotherapy activities will be required to obtain a minimum of an Aquatic Rescue Certification (Royal Life Saving Society), or equivalent.
- (e) All required documentation must be provided by the time prescribed by the School. Failure to provide the documentation may result in cancellation of enrolment in accordance with the General Regulations.
- (f) The University is required to register students with the Physiotherapy Board of Australia under the Health Practitioner Regulation National Law Act 2009. Students are therefore bound by the code and guidelines as specified by the Physiotherapy Board of Australia with respect to this Law.

3.3 Practicum or Internship requirements

- (a) Students are required to complete a variety of formal practicum experiences within the sport and recreation and physiotherapy clinical settings as a part of these Awards commencing in Year 2 of these Awards.
- (b) Physiotherapy Clinical Placements operate in accordance with the current Health and Universities Agreement for Allied Health Student Clinical Placements (2005) and Schedules to that agreement or its substitute in place at the time. The following units are specific to the practicum and clinical placement experiences:

| | | |
|-----------------|---|-------|
| HPE2500 | Exercise & Sport Science Industry Practicum | 25 CP |
| PHTY224 | Clinical Education I | 40 CP |
| HPE3500 | Exercise & Sport Science Industry Practicum | 30 CP |
| PHTY326/PHTY327 | Clinical Education II | 40 CP |
| PHTY412 | Clinical Education III | 70 CP |
| PHTY422 | Clinical Education IV | 70 CP |
| PHTY432 | Clinical Education V | 70 CP |
| PHTY442 | Clinical Education VI | 70 CP |

- (c) For all Physiotherapy Clinical Education units (PHTY224, PHTY326, PHTY412, PHTY422, PHTY432, and PHTY442) students are required to wear the official clinical uniform as specified by the School.
- (d) A student must abide by the Health and Universities Allied Health Student Clinical Placement Agreement (2005) and Schedules to that agreement or its substitute in place at the time. Failure to do so may result in withdrawal from clinical placement and a fail of the unit in which the student is enrolled.
- (e) As well as meeting the standards of practice requirements for the Clinical Education units, a student must normally undertake a minimum of 32 hours per week, for each of the deemed five weeks of clinical placement, to meet Award requirements. Failure to meet this requirement may result in a fail.
- (f) A student who is absent whilst on clinical placement for more than two days will be required to provide a doctor's certificate or other documentation and submit this to the clinical education facility supervisor and a copy to the School of Physiotherapy Associate Dean Clinical Education
- (g) A student may not request leave from clinical placements directly from the Clinical Facility. Any leave requests must be submitted directly to the Associate Dean Clinical Education (or delegate) in the School of Physiotherapy at the University. If a student wishes to request leave for a specific reason (eg, International Representative Sport, Defence Force commitments) he/she is required to see the Physiotherapy Associate Dean Clinical Education (or delegate) discuss his/her eligibility and possible impact on his/her clinical Program. If considered feasible, then formal application for leave must be made to the Dean of Physiotherapy with whom the decision will rest. This absence may impact on the student's completion of Award requirements and result in delay in graduation.
- (h) Within the Exercise and Sport Science component of this double-degree students must complete the following:
- HPE2500 Sport and Exercise Science Industry Practicum (comprising 150 hours) 25CP
 - HPE3500 Sport and Exercise Science Industry Internship (comprising 150 hours) 30CP
 - i. Placements are managed and authorized by the Health Sciences Practicum Coordinator and require students to formally register and seek approval, on the standard form, with the Coordinator prior to commencement of the placement.
 - ii. The lower level Practicum unit must be completed prior to enrolment in the higher level practicum unit unless permitted with the approval of the Dean of the School of Health Sciences (or delegate).

3.4 Approved unit substitutions

Unit substitutions, where permitted, must be approved by the Dean.

- (a) Unit substitutions in the Bachelor of Physiotherapy component of the double degree that may be permitted by the Dean of the School of Physiotherapy (or delegate), are:
- i. PHTY327 Clinical Education II may be substituted for PHTY326 Clinical Education II on recommendation of the Associate Dean Clinical Education.

- ii. PHTY290 Special Project in Clinical Education may be substituted for PHTY224 Clinical Education I on recommendation of the Associate Dean Clinical Education.
- (b) Unit substitutions in the Bachelor of Exercise and Sport Science component of the double degree may only be permitted with the approval of the Dean of the School of Health Sciences (or delegate).

3.5 Alternative Pathways

An Alternative Pathway is not available for these Awards.

3.6 Volume of Learning

3.6.1 Standard Duration

(a) The standard duration for the Bachelor of Physiotherapy/Bachelor of Exercise and Sport Science and the Bachelor of Physiotherapy (Honours)/Bachelor of Exercise and Sport Science Awards is approximately five and a half (5.5) years of equivalent full time study.; however, these Awards are designed to allow for completion over five years of accelerated mode study - see 3.6.2 (a).

(b) A student is not normally able to enrol in these Awards on a part-time basis.

3.6.2 Accelerated Duration

An accelerated mode is available for the Bachelor of Physiotherapy / Bachelor of Exercise and Sport Science Award or the Bachelor of Physiotherapy (Honours)/Bachelor of Exercise and Sport Science Award to allow for completion over five years.

3.6.3 Maximum Duration

The maximum period of time within which a student is permitted to complete the Bachelor of Physiotherapy / Bachelor of Exercise and Sport Science Award or the Bachelor of Physiotherapy (Honours)/Bachelor of Exercise and Sport Science Award is 7 years (including any periods of approved leave of absence) from the date on which they were first enrolled into an Award within the School of Physiotherapy by the University.

3.7 Graduation

Where a student has satisfied all the requirements of the Award, in which they are enrolled, as detailed in these Course Regulations and the General Regulations, the University may grant the student graduation status.

3.8 Exit Awards

An Exit Award pathway is not available for these Awards.

3.9 Honours

The Bachelor of Physiotherapy / Bachelor of Exercise and Sport Science Award is offered with Honours as embedded within the Bachelor of Physiotherapy. Specific admission requirements for the Honours Award are detailed below and are to be read in conjunction with the Policy: The Award of a Degree with Honours.

3.9.1 Applicability of Honours program to this double degree

Honours is available as an embedded Award within the Bachelor of Physiotherapy component of the Bachelor of Physiotherapy (Honours) / Bachelor of Exercise and Sport Science.

3.9.2 Admission to the Honours program

- (a) Admission to the Honours program is by invitation in accordance with School procedures and is subject to approval by the Dean of the School of Physiotherapy.
- (b) Enrolment in the Honours program on a part-time basis is not permitted.
- (c) It is expected that no more than 10% of a cohort will normally enrol in the Honours Program.

3.9.3 Selection criteria

The following selection criteria will be used for a student being invited to enrol in the Honours program:

- (a) The first three and a half years of the Bachelor of Physiotherapy (Honours) / Bachelor of Exercise and Sport Science Award are the same as the Bachelor of Physiotherapy / Bachelor of Exercise and Sport Science Award. A student is considered for the Honours program during Semester 1 of Year 4.
- (b) A student who demonstrates an excellent level of performance during the first three years of the Bachelor of Physiotherapy / Bachelor of Exercise and Sport Science Award will be considered for a place in the Honours program.
- (c) An excellent level of performance is considered to be a Distinction average across all first, second and third year units.
- (d) For entry to the Honours program a student will need to maintain a Distinction grade in Semester 1 of Year 4.
- (e) A student who is accepted into the Honours program enrolls in the Honours program in Semester 2 of Year 4 of the program.
- (f) In discussion with members of staff, a suitably qualified student will submit a topic for consideration as an Honours research program. A student needs to arrange for a supervisor for the topic and gain the approval of the Dean for this research.
- (g) The Dean may admit to the Honours program a candidate who does not meet the strict criteria but nevertheless has outstanding credentials in the academic domain, and has demonstrated his or her research potential.
- (h) Final acceptance into the Honours program is at the discretion of the Dean, based on availability of a suitable supervision arrangement and availability of resources.

3.9.4 Deferral of Participation in the Honours Program

An option to defer a place in the Honours Program is not available for the Bachelor of Physiotherapy (Honours) component of this Award.

3.9.5 Compulsory Honours units

- (a) A student enrolled in the Bachelor of Physiotherapy (Honours)/Bachelor of Exercise and Sports Science Award is required to complete units in accordance with the Award structure presented in Appendix B.
- (b) In the 5th year of the award, a student in the Honours program completes three (3) of the following clinical education units with the selection of the three units determined in consultation with the supervisor(s) and the Clinical Education Coordinator

| | | |
|---------|------------------------|-------|
| PHTY412 | Clinical Education III | 70 CP |
| PHTY422 | Clinical Education IV | 70 CP |
| PHTY432 | Clinical Education V | 70 CP |
| PHTY442 | Clinical Education VI | 70 CP |

3.9.6 Progress within Honours

A student who fails to make progress within this Award may be withdrawn from Honours and re-enrolled in the Bachelor of Physiotherapy/Bachelor Exercise and Sport Science Award.

- (a) Failure to make progress may result from:
 - i. a student failing a unit(s) in semester 2 of year 4; or
 - ii. a student not maintaining a Distinction average; or
 - iii. a student not meeting milestones for the conduct of the research project; or
 - iv. a student failing within the clinical placement program in year 5 of the Award.

- (b) If a student withdraws or is withdrawn from the Honours program, the student will be required to complete the requirements of the Bachelor of Physiotherapy.
- (c) Notwithstanding 3.9.6 (a), the Dean may approve continuation of progress within the Honours program.

3.9.7 Awarding Honours

Honours within this Award is awarded in accordance with the General Regulations and is awarded as a Graded Honours.

END OF REGULATIONS

APPENDIX A:

| YEAR ONE | | | | | | |
