4. Course Regulations

1.4 Interpretation

The words and phrases contained in this provision are to be interpreted in the following way throughout the School of Law Regulations, unless otherwise provided:

“(the) Unit Coordinator” - means that person designated by the Dean to be the lecturer in charge of a unit and who shall be responsible to the Dean for the overall coordination of teaching and assessment in the unit.

1.5 Amendment of Regulations

1.5.1 All proposals for amending these School Regulations must be forwarded by the Dean to the Unit and Course Approval Committee for consideration and to the Vice Chancellor for approval.

1.5.2 Unless otherwise specified, amendments to these School Regulations are deemed to be binding on all students enrolled in units or courses offered by the School as soon as they are approved by the Vice Chancellor.

1.5.3 Where the Dean is satisfied that any amendments to these School Regulations will affect an existing student(s) of the School in an unreasonable, prejudicial or discriminatory manner, the Dean may take such steps as are reasonably necessary to
avoid or minimize the impact of the unreasonable, prejudicial or discriminatory consequences on the existing student(s).

2. GOVERNANCE OF THE SCHOOL OF LAW

3. ADMISSIONS

3.1 Special Requirements for Admission

Special requirements for admission (if any) to a course offered by the School of Law must be detailed in specific Course Regulations and/or in any relevant policy of the University.

3.2 Courses and Quotas

3.2.1 The courses of the School of Law are set out in the School of Law Course Regulations.

3.2.2 Pursuant to the General Regulations and the University Guideline: Course Quotas, the total intake of first year students admitted to a course on a particular Campus may be limited.

3.3 Specific Conditions of Enrolment in Units of a Course

3.3.1 Special conditions of enrolment (if any) in units of a course offered by the School of Law must be detailed in specific Course Regulations and/or in any relevant policy of the University.

3.3.2 The Dean of the School (or delegate) may impose enrolment conditions on a student based on specific course or unit requirements.

3.3.3 The conditions that may be imposed on a student include, but are not limited to:

(a) the meeting of special requirements of admission;

(b) achievement of a passing grade in a prerequisite unit;

(c) that a student may enrol in a particular unit only if:

(i) the student also enrols in a co-requisite unit at the same time, should a co-requisite unit be specified; or

(ii) the student previously achieved a passing grade in the co-requisite unit.

3.3.4 The Dean of the School (or delegate) may permit a student to enrol in a unit without having satisfied the conditions listed in Regulation 3.3.3 if satisfied that the student has demonstrated sufficient knowledge to undertake the unit concerned.

3.4 Enrolment Deadlines

3.4.1 Enrolment deadlines for undergraduate and postgraduate units are those proclaimed by the Campus Registrar.

3.4.2 Enrolment deadlines for non-standard units are determined by the Dean and advised to the Campus Registrar for publishing on the University’s web site.

4. ACADEMIC PROGRESS

4.1 Student Progress

4.1.1 A student who fails to complete all of a particular year of her or his prescribed course may be permitted, at the discretion of the Dean of the School, to proceed to the next year of the course provided that the appropriate prerequisites are met and agreement is reached on how the missing requirements will be completed.

4.1.2 A Dean may recommend to the Campus Deputy Vice Chancellor for approval any
change to a Course Regulation for an individual student.

4.2 Graduation

Eligibility for graduation in the courses offered by the School of Law requires successful completion of all required credit points and course conditions as detailed in the Course Regulations.

5. ASSESSMENT AND EXAMINATIONS

5.1 Unit outline

A student will be provided with a unit outline at the commencement of a unit in which he/she is enrolled in a particular semester/term.

5.2 Assessment

Assessment criteria for each unit are contained in the unit outline for each unit.

5.3 Conceded Pass

In accordance with the General Regulations, the grade of “Conceded Pass (CP)” may not be awarded to any student enrolled in a unit offered by the School of Law or in any award or degree offered by the School of Law.

5.4 Extensions on continuous assessment items (excluding examinations)

5.4.1 A student may apply in writing before the due date for an extension of time within which to submit a piece of continuous assessment without penalty to the Dean (or delegate) setting out the grounds for the application although an extension of time will only be granted in exceptional circumstances. Such application must be accompanied by appropriate supporting documentation, such as a medical certificate.

5.4.2 The Dean (or delegate) has absolute discretion to approve or dismiss the application for extension.

5.4.3 If the Dean (or delegate) approves the application for extension, the Dean (or delegate) must set a new due date, “the extended due date”.

5.4.4 If the Dean (or delegate) does not approve the application for extension, the Dean (or delegate) must, subject to Regulation 5.5.2, impose the penalty for late submission or non-submission of continuous assessment.

5.5 Penalties for late submission or non-submission of continuous assessment items (excluding examinations)

5.5.1 If a student has not submitted the piece of assessment on or before the due date (or on or before the extended due date, in accordance with Regulation 5.4), the following rules apply:

(a) The piece of assessment is assessed as if it were submitted on the due date (or extended due date if applicable) but 10% of the total marks available for the piece of assessment will be deducted from the final mark obtained for the assessment for every calendar day that the submission of the assessment exceeds the due date (or the extended due date if applicable).

(b) No piece of assessment will be marked or awarded a grade if the piece of assessment is submitted more than five days after the due date (or extended due
date if applicable) and the student will be awarded a mark of “0” and grade “F” for that piece of assessment.

5.5.2 The Dean of the School (or delegate) retains absolute discretion to waive or modify the penalties imposed as listed above if the student can establish to the satisfaction of the Dean (or delegate) that there are compelling and legitimate reasons for the late submission, non-submission of assessment, or the failure to participate in a prescribed activity pertaining to the assessment.

5.5.3 The decision of the Dean (or delegate) with respect to the request for extension or penalty for late submission is final.

5.6 Re-marking of pieces of continuous assessment

5.6.1 A student may request a piece of assessment to be re-marked, but only after first discussing the mark for that piece of assessment with the relevant Unit Co-ordinator.

5.6.2 The Dean (or delegate) has absolute discretion whether or not to permit a re-mark of a piece of assessment which a student believes has been inadequately or inappropriately assessed provided the student has put their request for a re-mark in writing to the Dean within ten (10) days of receiving the mark for the piece of assessment concerned.

5.6.3 If the Dean of the School permits a re-marking of the piece of assessment, in accordance with the General Regulations, the following procedures apply:

(a) The Dean (or delegate) will organise a second person (either internal or external to the University) to re-mark the piece of assessment.

(b) The person undertaking the re-marking will recommend to the Dean a mark for the piece of assessment. In so doing, the person undertaking the re-marking will have regard to but is not bound by any marking guidelines or criteria produced by the original marker.

(c) The person undertaking the re-marking will provide a written recommendation to the Dean (or delegate) as soon as is practicable giving an assessment of the piece of assessment and the recommended mark and grade.

(d) The final mark and grade to be awarded for the piece of assessment will be determined by the Dean (or delegate) based on the person undertaking the re-marking recommendations.

(e) The Dean will advise the Unit Coordinator of the outcome of the re-mark and, if necessary, the Unit Coordinator will amend the student’s assessment record.

5.7 Supplementary assessment

5.7.1 Supplementary assessment is provided to facilitate course completion.

5.7.2 Supplementary assessment is not a reassessment of the student’s overall grade or the mark for an individual assessment item. It is a new item of assessment designed to assist students to complete requirements for their qualification, and is thus available for units undertaken in the final year of study only.

5.7.3 The Dean (or delegate) is responsible for determining eligibility for supplementary assessment guided by advice from the Unit Coordinator (if any) as to whether, given the student’s marks for the unit and the nature of the unit, it is possible for the student to achieve a passing standard through supplementary assessment.

5.7.4 The form and type of supplementary assessment is at the absolute discretion of the
Dean (or delegate), who will ensure that academic standards are maintained.

5.8 Referencing

In the absence of any notification to the contrary, a student enrolled in units offered by the School of Law must use the Australian Guide to Legal Citation for referencing and footnoting pieces of assessment.

5.9 Assessment Coversheets

A student is required to attach a University Cover Sheet to every piece of continuous assessment on which they must declare that the work is all their own, that they have retained an electronic copy of the work, that the work has not been previously submitted for any other unit or at any other tertiary institution, and the total word count (excluding footnotes and bibliography) of the assessment.

5.10 Examinations

5.10.1 In accordance with the General Regulations, all School of Law units at an undergraduate level must normally include a final invigilated examination of no less than 50% of the final grade of the unit.

5.11 LW104 Ethics and the Law – Additional requirement (Fremantle students only)

5.11.1 The LW104 Ethics and the Law unit (which is the core curriculum unit in ethics completed by students studying in Fremantle) has two modules:

(a) an Ethics module taught and assessed by the School of Philosophy and Theology; and

(b) a Legal Ethics module taught and assessed by the School of Law.

5.11.2 Students are required to achieve a pass mark in each of these modules to attain a pass mark for the unit.

5.11.3 Any student who is awarded a mark of less than 50% for either the Ethics or Legal Ethics module will be awarded a failing grade for the LW104 Ethics and the Law unit. In this instance, the maximum numerical mark that the student may be awarded for the unit is 49.

5.11.4 No Supplementary Examination is available to students in the LW104 Ethics and the Law unit.

5.11.5 For the avoidance of doubt, Regulations 5.11.1 to 5.11.4 do not apply to students completing the PT102 Logos II unit (which is the core curriculum unit in ethics completed by students studying in Sydney).

7. COMMUNITY SERVICE REQUIREMENT

7.1 A student enrolled in an undergraduate course offered by the School of Law must undertake any community service work which is required by Regulation 7.2 before the student will be eligible for graduation unless the Dean certifies in writing that special circumstances exist to wholly or partially exempt the student from that work.

7.2 A student completing the LW104 Ethics and the Law unit (which is the core curriculum unit in ethics completed by students studying in Fremantle) is required to satisfactorily complete any “community service” components for law students which are incorporated within that unit.
