1 INTRODUCTION AND INTERPRETATION

1.1 Introduction

These Course Regulations apply to all students enrolled in the Masters Degrees by Research Awards at The University of Notre Dame Australia.

These Regulations should be read in conjunction with the University's General Regulations and the Research Degree Regulations.

1.2 Interpretation

The terms included in these Regulations have the meanings as defined in the University's General Regulations and the Research Degree Regulations.

1.3 Amendments made to Course Regulations

Unless otherwise specified, when amendments are made to the structure, content or academic requirements of these Awards, the amendments will automatically apply in accordance with General Regulation Section 1.7.

1.4 Applicability to Campuses of the University

These Awards are available on the Broome, Fremantle and Sydney Campuses.

1.5 The Australian Qualifications Framework (AQF)

The Masters Degrees by Research Awards are level 9 AQF qualifications.

2 ENTRY CRITERIA

2.1 General Criteria

The standard entry requirements for admission are detailed in the University's General Regulations and the Research Degree Regulations.

2.2 Additional Entry Requirements / Pre-Requisites

Applicants to these Awards are expected to satisfy the following criteria:

- 2.2.1 Possession of an undergraduate degree from a recognised University, which has been completed at a superior standard and which demonstrates the applicant's potential to undertake and complete a research based study at AQF level 9 equivalence.
- 2.2.2 In exceptional circumstances, an equivalent academic or professional background that is considered by the Dean of the School to be an appropriate preparation for independent study and research work at Masters level.

2.3 External Accreditation Requirements

External accreditation requirements are not applicable to these Awards.
