SCHOOL OF MEDICINE, FREMANTLE

Bachelor of Medicine/Bachelor of Surgery

Employment whilst a Medical Student Policy

For admission into the Bachelor of Medicine/Bachelor of Surgery Course

POLICY

Medical students are to give their academic studies priority over and above their part-time and/or casual employment.

This does not mean students cannot continue to work part-time or casually. However, students must be available to attend all compulsory teaching sessions and placements regardless of their geographic location or timing.

Student Signature and Declaration

“I declare that I have read and will abide by the above policy during my enrolment in the Bachelor of Medicine/Bachelor of Surgery Course.”
