Young Achievers Program – Introduction to the Young Achievers Community
Come and meet students in the young achievers community and be part of a fun morning to get your university years started. This session is designed to introduce you to some of our club and society leaders and the exciting initiatives to be a part of this year. You will also participate in an ‘amazing race’ style challenge and get to meet new and current students.

Open to all new students in the Young Achievers Program.

To register for this event please email sydney.studentservices@nd.edu.au

Orientation Camp
Orientation Camp 2016 has been designed specifically for students new to Notre Dame. It will take place in Gerroa, about 90 minutes south of Sydney. The camp will provide you with an opportunity to meet and engage with other first year students in a fun and relaxed environment.

The camp takes place at Surf Camp Australia so there will be plenty of surf lessons on offer, however other activities include trivia, team challenges and community initiatives, which are an important element of the Notre Dame experience.

Orientation Camp will help you find your feet at Notre Dame and gain a better understanding of the Notre Dame community you are now a part of.
