

# International Students Fees & Charges 2008

## Commencing students Fremantle and Broome

### Tuition

Tuition costs depend upon study load. An average study load is 8 units per year or 4 units per semester. Science, Education, Health and Law courses attract higher fees and more unit variation by semester. The tuition fees may change in subsequent years. All fees need to be paid two weeks before the start of semester. The University does not offer instalments or extensions.

### Living Costs

Living costs may vary according to individual needs. On average, students can expect to spend \$A14000 - \$A16000 per year on items such as rent, clothing, books, food and transport etc. This does not include the costs associated with running a car.

### Health Cover

Overseas Student Health Cover administered by the Worldcare health fund provides basic health cover to international students and their families while resident in Australia. This covers a portion of Doctor's fees, treatment in public hospitals and emergency ambulance transfer. Top-up cover for ancillaries such as dental and optical is also available. This health cover is compulsory for international students whilst in Australia. Students will receive an invoice with their tuition fee invoice.

### Student Visa

A visa is required for non-residents to study in Australia. Upon receiving a place at Notre Dame students may apply for a visa through the local Australian Embassy or High Commission, and some IDP offices. A medical examination is required before a visa application is approved. A student visa will be valid for the duration of the course provided students remain enrolled full-time, health cover is kept up to date and students maintain a current address with the University. The visa application fee is approximately \$A430.

### Accommodation costs

Accommodation costs can vary according to style and location of accommodation. Sharing a room in a house will cost approximately \$A100 - \$A150 per week plus costs for electricity, telephone etc. Full board and lodging costs approximately \$A160-\$A180 per week.

Students may be liable for a bond (usually four weeks' rent) which is refundable upon departure.

A University accommodation service is available upon request.
