

International Students Fees & Charges 2010

Commencing students Fremantle and Broome

Tuition

Tuition costs depend upon study load. An average study load is 8 units per year or 4 units per semester. Science, Education, Health and Law courses attract higher fees and more unit variation by semester. The tuition fees may change in subsequent years. All fees for the first year are to be paid four weeks before the start of semester. The University does not offer instalments or extensions.

Living Expenses

As a general guide, you could expect to spend around AU\$250 to AU\$350 per week on living expenses, not including tuition fees or accommodation. Living expenses include food, transport, entertainment, book and perhaps other items such as clothing. On average, an international student needs between AU\$16,000 to AU\$18,000 per year for all living expenses- about AU\$520 per week.

Health Cover

Overseas Student Health Cover administered by the Worldcare health fund provides basic health cover to international students and their families while resident in Australia. This covers a portion of Doctor's fees, treatment in public hospitals and emergency ambulance transfer. Top-up cover for ancillaries such as dental and optical is also available. This health cover is compulsory for international students whilst in Australia. Students will receive an invoice with their tuition fee invoice.

Student Visa

A visa is required for non-residents to study in Australia. Upon receiving a place at Notre Dame students may apply for a visa through the local Australian Embassy or High Commission, and some IDP offices. A medical examination is required before a visa application is approved. A student visa will be valid for the duration of the course provided students remain enrolled full-time, health cover is kept up to date and students maintain a current address

Accommodation costs

Accommodation costs will vary depending on the types of arrangement chosen- residential college, shared apartment, living alone in rented accommodation or staying with relatives. Sharing a room in a house will cost approximately \$A150-180 per week excluding amenities (bills). Full board and lodging costs approximately AU\$220- AU\$250 per week. Students may be liable for a bond (usually four weeks' rent) which is refundable upon departure. A University accommodation service is available upon request.
