### GENERAL INFORMATION

1. An Irregularly Scheduled Examination is an exam that is the same in content to that of the final invigilated exam but is held at a time, date and venue different from the final invigilated exam for a unit. An Irregularly Scheduled Exam must be held during the official exam period and only when it commences before the completion of the regularly scheduled final exam.

2. A Deferred Examination is an exam that is the same in content to that of the final invigilated exam but is held at a time, date and venue set by the Campus Registrar in place of the final invigilated exam for each semester. A Deferred Exam is normally held after the BoE meeting for that semester but no later than the commencement of the following semester.

3. **YOU MUST ATTACH ONE STATUTORY DECLARATION COVERING ALL UNITS & SUPPORTING DOCUMENTATION.**

4. The form must be lodged in person where possible. Please keep a photocopy for your records.

5. If posting the form, registered mail is recommended. The University will not accept responsibility for forms submitted by mail which go astray unless proof of postage can be produced.

6. You will be advised of the decision of the Campus Registrar (or delegate) by email to your **ND Student Email Account only**. No further advice or reminders will be sent to you. It is your responsibility to ensure you are aware of the decision of this application and where approved, the date/time/venue of the Deferred/Irregularly Scheduled exam.

7. Deferred examinations are usually held in the next exam period. The timetable for your deferred examination will be placed on the University website (Student Academic Information) close to the next exam period or you will be informed in writing if your deferred exam is to be held at a different time.

### CONDITIONS

1. A deferred examination shall normally be no later than six months after the scheduled examination, but can be extended by the Campus Registrar (or delegate) upon application.

2. A deferred examination will only be granted at the discretion of the Campus Registrar (or delegate), in consultation with the Dean of the School, where it has been documented that the students' results have been affected by circumstances completely beyond the student's control and will generally be under the following conditions:
   a) Compassionate grounds (a certificate from appropriate counsellor, minister of religion, medical practitioner or other agreed person).
   b) Medical grounds (a certificate from a medical practitioner fully detailing the medical condition and the period it affected the student).
