2010

INTRODUCTION
The School of Nursing offers a Graduate Certificate in Nursing to registered nurses working towards an advanced qualification. This program of study allows students to exit with a Graduate Certificate of Nursing after the completion of four units of study. Those electing to progress by completing an additional four study units will graduate with a Graduate Diploma in Nursing.

WHY STUDY AT NOTRE DAME?
The course is aimed at enabling the registered nurse to develop knowledge and consolidate skills to function at an advanced level of practice.

COURSE STRUCTURE
Course units can be selected (in consultation with the course co-ordinator) from the following study areas:

- Clinical Governance
- Medical Surgical Nursing
- Aged Care
- Clinical Nursing
- Nursing Education
- Oncology Nursing
- Orthopaedic Nursing
- Primary Health Nursing

Please note the course sequence, units and specialty areas may be subject to change.

ADMISSION REQUIREMENTS
The course will be available to registered nurses who have a previous degree or who have accumulated a wealth of experience in the area, but who do not have a degree. These nurses will be provided with additional support when embarking upon the course.

MODE OF STUDY & ASSESSMENT
Students will discuss their study program with the course co-ordinator before commencing. The assessment of each unit is variable and may consist of tutorial presentations, case study, written assignments, projects and journals.

APPLICATION FOR ENROLMENT
Applications should be received at least one month prior to commencement. Please contact the Postgraduate Co-ordinator, School of Nursing on 9433 0249 for information related to the course.
