

2010 Masses for Schools and Divisions

The proposed roster for our School and Division Masses is presented below. We have been gradually developing these Masses for a number of semesters. These Masses could not occur if it were not for the support of the Deans and Managers and your teams. Your cooperation and efforts are very much appreciated. Thank you.

Please feel free to consider the date you have been given and do not hesitate to reply and request a change of date for your Mass. Would you please also reply and offer at least one name of a contact person within your School or Division regarding the preparation of the Mass?

Resources and examples that are useful in preparing the Masses are provided on the Campus Ministry page on the University webpage.
