## Memorandum

*Vice Chancellor's Office*

---

**TO:** Students and Staff  
**FROM:** P D Tannock  
**DATE:** 13 March, 2008  
**SUBJECT:** Notre Dame Dress Codes

---

The Notre Dame dress code has been a long-standing policy for the University. It is important that all staff and students follow it.

Students and staff are expected to wear neat and clean clothing, in good repair, whenever on the University premises. Footwear must be worn at all times – shoes, sandals, thongs and sneakers are all appropriate. It is not acceptable to be bare-chested. It is important to observe these guidelines as they are designed to ensure that the University community adopts reasonable standards of personal presentation.

I would be very grateful for the support and cooperation of our community in this matter.

**Peter Tannock**  
**Vice Chancellor**
