**Course Duration**

The standard duration of the Master of Business Administration is two years of full-time study. It is also available on an equivalent part-time basis.

**Mode of Study**

Students will be required to study the units in face to face mode. The course requires that a student complete all sixteen units. The assessment of competency in each unit consists of tutorial performance, a number of assignments or projects during the semester and a final examination.

**Admission Requirements**

Notre Dame encourages applications from people of all backgrounds and takes into consideration the applicant’s academic performance as well as their personal qualities and accomplishments. Academic requirements are as follows:

- A first degree from an approved institution or a minimum of a Graduate Diploma in Commerce, and at least five years of experience in a management position.

Applications should be received at least one month prior to commencement. However, there are limited places so early application is encouraged.

**Advanced Standing**

Advanced standing will be determined by the level of the subject, whether an equivalent graduate unit was obtained at another academic institution, and whether a similar unit was undertaken as part of an undergraduate degree. Applications for advanced standing are assessed on an individual basis.
