Admissions Guide
We consider the whole person

The University of Notre Dame Australia seeks to enrol students who wish to make a special contribution to society by using a comprehensive admissions process that goes beyond the use of a single score.

Notre Dame’s admissions process considers every applicant on an individual basis, which is, like the Notre Dame study experience, focused on the whole person. Prospective students apply directly to the University for admission.

There are three categories of undergraduate applicants:

1. School leaver students who are currently in Year 12 sitting the Higher School Certificate (HSC) or International Baccalaureate (IB).
2. Post-school leaver students who have completed their Year 12 within the last five years and are using these results to gain entry.
3. Mature-age students who have sat a Special Tertiary Admissions Test (STAT) or have completed post-secondary study at a TAFE, university, Registered Training Organisation or another tertiary institution.

International students

The following categories of applicants are considered to be domestic applicants. All other applicants are considered to be international students.

- Australian citizen
- Australian Permanent Resident
- Australian Permanent Humanitarian Visa Holder
- New Zealand citizen
- Diplomatic or consular representative of New Zealand, or the spouse or dependent relative of such a representative

The process of applying to study at Notre Dame for an international student is different from that of Australian students. If you are an international student, please contact the Prospective Students Office on +61 2 8206 4404 or email sydney.international@nd.edu.au.

Entry is based upon:

- Personal qualities, motivation to study and academic potential;
- Contribution to school, church or community life;
- Academic record; and
- An interview with a member of the academic staff.

Postgraduate admission

The Postgraduate Course Guide is available for applicants considering postgraduate course enrolment from www.nd.edu.au/applynow. Fees and scholarships

Notre Dame is committed to producing programs that are affordable and accessible. The following fee structures are in place.

**Undergraduate student fees**

**HECS-HELP**
Notre Dame offers Commonwealth Supported Places (CSP) in selected undergraduate courses (see the course tables listed in each academic School). Australian citizens or holders of permanent humanitarian visas who are allocated a CSP are able to access HECS-HELP and defer all or part of their tuition fees through a Federal Government loan. There is no loan fee applied to HECS-HELP loans.

**FEE-HELP**
Notre Dame offers full fee paying places for undergraduate domestic students in a number of our courses. Students who are Australian citizens have the option of deferring their tuition fees under the FEE-HELP loan scheme. This program allows students who hold Australian citizenship to borrow all or part of their tuition fees from the Federal Government. In setting the fees for its courses, the University is committed to making its courses accessible and affordable to all those who seek to undertake the university education offered by Notre Dame. The University has adopted a fee setting policy based on the principle of ‘just access’. Details can be found on the University’s website at: www.nd.edu.au/nav-future-students/fees/fee-setting-principles. Details regarding HECS-HELP and FEE-HELP can be found at the Government’s ‘Study Assist’ website www.studyassist.gov.au.

**Postgraduate student fees**
Australian citizens studying postgraduate coursework degrees have access to the Commonwealth Government’s FEE-HELP loan scheme. Please refer to the 2016 Postgraduate Course Guide for current fee scales.

**Foundation Year**
The Foundation Year program offers a limited number of tuition free places to Australian citizens. Full details are available upon application. For more details about the Foundation Year course see page 16.

**Additional study costs**
The additional costs of study will vary from student to student. Additional costs include textbooks, uniforms, accommodation, public transport, photocopying, stationery and food.

**Financial assistance**
Austudy, Abstudy and Youth Allowance schemes are operated by the Australian Government and provide financial assistance to eligible students. For further information please contact Centrelink on 13 24 90 (Youth Allowance and Austudy) or 13 23 17 (Abstudy) or visit www.humanservices.gov.au. So as not to disadvantage other applicants, please advise the University if you do not wish to accept your offer by advising the Admissions Office in writing via post or email.

Deferring your place

In most courses, students may defer their place for up to two semesters (12 months). When formally accepting and securing a place, a student may then submit a request for deferral with the acceptance form. School leaver information

Applications are made directly to The University of Notre Dame Australia. You cannot apply through the Universities Admissions Centre (UAC). - A completed Undergraduate Application Form (see back of Course Guide). Nominate your course preferences in the boxes provided on the form.

Minimum entry requirements

School-leaver applicants need to fulfil the following minimum entry requirements to be eligible for admission to most undergraduate courses at Notre Dame:

**Australian Tertiary Admission Rank (ATAR)**

The University of Notre Dame Australia’s admissions process is multi-faceted and goes beyond a single score. The University has set an indicative ATAR score of 70 (or equivalent) for most undergraduate courses. Some courses such as double degree programs and the Bachelor of Laws require a higher indicative score. For further information please see the Course Tables on page 65 or contact the Admissions Office.
Admission requirements (Education)

To apply for the Bachelor of Education (Birth to Twelve Years), Bachelor of Primary Education, Bachelor of Primary Education (Religious Education), Bachelor of Education (Secondary) and Arts, and Bachelor of Education (Secondary) and Business Studies degrees, prospective students require three Band 5s, one of them being English, or two Band 5s in subjects other than English and successful completion of the University’s English Band 5 equivalent unit or via the Pathway to Teaching (please see below). Please note ESL English will not count toward the required Band 5 English criteria.

Pathway to Teaching

Students enrol in a Bachelor of Arts and complete a suite of units in their first year in the School of Arts & Sciences.

Pathway Option 1: Students who successfully complete eight units at the required level, may be approved to move straight into the second year of their Education degrees.

Pathway Option 2: Students can complete the Bachelor of Arts (3 years) and then complete a two-year Master of Teaching.

Mature-age applicant information

At Notre Dame we welcome applications from mature-age students. To be considered for admission to Notre Dame, you are required to supply the following:

› A completed Undergraduate Application Form (see back of Course Guide). Nominate your course preferences in the boxes provided on the form.
› A personal statement, in the form of an essay of approximately 300 words in length, outlining the reasons for your course preference and why you chose to study at Notre Dame.
› Certified copies (see glossary) of full academic transcripts and certificates from any completed secondary, pre-university, university or TAFE/RTO study and/or results of the Special Tertiary Admissions Test (STAT).
› Relevant supplementary documentation (up to eight pages). Applicants who intend to sit the STAT must submit the application form by the due date. STAT results can then be forwarded to the Admissions Office once they become available. You must sit for both STAT sections (Written English and Multiple Choice) to meet the University’s minimum entry requirements. Each application is considered on an individual basis. Applicants who have met admission requirements will be invited to an interview. Generally, the interview will be conducted by a member of academic staff on campus and it will last 20 to 30 minutes. A telephone interview may be conducted for a rural or regional applicant.

Minimum entry requirements

Mature-age applicants need to fulfil at least one of the following minimum entry requirements to be eligible for admission to most undergraduate courses at Notre Dame:

› Completion of a TAFE or RTO Advanced Diploma, Diploma, Associate Diploma or relevant Certificate IV or equivalent. Trade certificates are not acceptable. Applicants for Education and Law courses must possess a relevant Diploma or higher qualification. Please note that a TAFE/RTO qualification used for the purpose of meeting entry requirements, does not have an expiration of currency date. For most courses, credits for units completed at a Diploma level or above may only be transferred if completed within the last 10 years (five years in Nursing).
› At least one full-time semester or equivalent of satisfactory progress at another Australian university at Bachelor degree level. (Education and Law require satisfactory completion of two full-time semesters).
› A minimum score of at least 150 for both the Written English and Multiple Choice component of the Special Tertiary Admissions Test (STAT). For Information on STAT, please call UAC on + 61 2 9752 0200. Students are advised to contact UAC ahead of time to arrange for a STAT booking.
*Will not meet minimum entry requirements for Education, Law or Medicine courses.

Extracurricular involvement

In addition to meeting the academic minimum entry requirements please specify leadership roles, community involvement in various clubs, teams, groups and organisations (including Church organisations) and service to others. This can be demonstrated in your Personal Statement, application form, or through references.

Advanced standing (Credit for previous studies)

Applicants who have successfully completed Diploma or above level units at other tertiary or further education institutions in Australia or overseas within the last 10 years may be eligible for advanced standing towards a Notre Dame degree and/or exemptions from units. After receiving an offer, applicants should submit an Application for Advanced Standing to the Dean of the relevant School at the time of enrolment.

Alternative entry programs

Prospective students who have applied and have not met the minimum academic entry requirements are encouraged to consider an alternative entry pathway. Through successful completion of either of the following programs, students may gain entry into undergraduate studies in the School of Arts and Sciences, School of Business, School of Nursing and School of Philosophy & Theology. Entry is contingent on the meeting of entry requirements for individual degree courses and the availability of spaces within those courses.

› The Tertiary Enabling Program (TEP)
› The Foundation Year (FY)

Please refer to page 15 and 16 of this Course Guide for further information.

Special Tertiary Admissions Test (STAT)

Applicants who are aged over 20 as at 1 March in the year of admission may seek admission through the completion of the Special Tertiary Admissions Test. The STAT is designed to provide an opportunity for those candidates who have not completed a recent or standard Year 12 qualification to demonstrate ability to cope with tertiary studies. Notre Dame requires applicants to complete both the Written English and Multiple Choice forms of STAT. Please refer to the Course Tables on page 65 onwards for indicative STAT scores and relevant courses.

Frequently asked questions (FAQ)

1. How do I know if I am a mature-age applicant?
   You are a mature-age student if:
   • You are 20 years of age or older on or by 1 March in the year you wish to commence study.

   OR

   • You have completed any further study since high school, such as TAFE, other university study or a tertiary preparation course.

2. What does certified copy mean?
   A certified copy is a photocopy of an original document that has been sighted, stamped and signed by a certifying agent. The people who can do this include Justices of the Peace, accountants, teachers, school/college principals, doctors, postmasters and pharmacists. All copies of transcripts and official documents accompanying an application must be certified.

3. How long are my STAT results valid?
   You can use your STAT results for university admission for up to five years.

4. How long can I use my ATAR results for?
   ATAR results are valid for use for five years; however, the University cannot guarantee that an ATAR which is sufficient for a course in one year will be sufficient in subsequent years.

5. My degree was completed more than 10 years ago. What does that mean?
   A previous university degree will meet the entry requirements for most courses. Degrees which have been awarded more than ten years prior to the date of enrolment will not be considered for advanced standing, but may meet academic entry requirements.

6. How can I change my preferences?
   To change preferences once your application has been submitted, you are required to either complete the appropriate form in the Admissions Guide or send confirmation in writing to the Admissions Office. Emails to sydney@nd.edu.au are accepted.

7. I have international qualifications, but am applying as a domestic student. What do I do?
   Complete an undergraduate application form and include certified copies of your international qualifications. If your qualifications are in a language other than English, you must have your qualification translated and provide the Admissions Office with certified copies of the translation and qualification or award.

8. Can I defer and if so, for how long?
   Yes, you can defer your place in most courses for up to 12 months. Complete the Request for Deferred Commencement form outlining the reasons for deferral.

   You can also take time off during your studies (leave of absence). No more than four semesters leave of absence over the length of the course is allowed, and all degrees must be completed within certain time limits.

9. What if I am overseas or on holidays and am not available to complete the application process?
   If you are away and are not able to deal personally with your application, you can authorise a person to act on your behalf. Please complete the Authorisation to Act on your behalf form at the back of this guide. This is particularly important in regard to acceptance of your offer.

10. Once I am admitted to a course at Notre Dame, can I change to another course?
    In many instances, changing between courses is possible. Please complete a Change of Course form and seek approval from the Dean of the relevant School.
11. Should I provide my Diploma/Degree certificate or transcripts of study only?
When applying to the University, it is essential to submit the transcript and the degree certificate. The transcript should state that the course is complete. If this is not stated, a certified copy of the award must also be included.

12. Where do I go for the most up-to-date information?
If there are changes to the information provided in this Course Guide, updates will be posted on the University website: www.nd.edu.au
Alternatively, please contact the Prospective Students Office at sydney@nd.edu.au or on +61 2 8204 4404.
