Notre Dame
What's the right direction for me?

notredame.edu.au
Why choose Notre Dame?

The Objects

The Objects of The University of Notre Dame Australia are:

a) the provision of university education within a context of Catholic faith and values; and

b) the provision of an excellent standard of –

i) teaching, scholarship and research;

ii) training for the professions; and

iii) pastoral care for its students.

Learning at Notre Dame is different.

The University believes in a well-rounded approach to learning and includes a ‘Core Curriculum’ which builds mind and character, and opens up questions that will help make life and work more meaningful and richer in potential.

Other opportunities include:

• gaining practical experience through practicum and internships
• completing degrees with professional accreditation (approval)
• experience life on different campuses:
  - Broome, Fremantle and Sydney
  - “Experience the World” program which offers opportunities to travel and study
  - Study Abroad allows study on campuses across Asia, Europe and the United States

Why study?

University study provides a number of benefits:

• a greater understanding of the world and your place in it
• job preparation and employment advantages
• network of friends and contacts

The Notre Dame community.

The University provides a range of student services and clubs including:

• academic support programs
• peer mentoring programs
• careers advice
• sport and recreation opportunities
• counselling and equity support

Do you want more career information?

For information on all current careers go to www.jobguide.deewr.gov.au

If you are unsure of what career suits you, then:

• visit your career coordinator
• go to www.joboutlook.gov.au and select ‘career quiz’
The journey to your meaningful career starts here

What do you like to do on a free day?

What do you enjoy doing at school?

What would a member of your family say you are good at?

What are you passionate about?

If you could change any one thing in the world – what would you change?

What do you see yourself doing in 10 years from now?

There are careers and opportunities that you may not be aware of (or they simply don’t exist yet!). Start by asking yourself these questions....

Best of luck on your journey!
## What do you want to do?

The following subjects are recommended for some courses at Notre Dame. The University does not have prerequisite subjects for its courses but the study of these subjects will prepare you for your preferred course. At Notre Dame we recommend that students complete the ATAR syllabus.

### English Language Competency
Students must achieve a pass grade (a scaled score of at least 50%) in English or Literature (or EALD in the case of approved students) to be considered for an undergraduate place at The University of Notre Dame Australia.

### Arts
**Majors available:**
- Archaeology
- Behavioural Science
- Communications & Media
- English Literature
- Environmental Science
- Film & Screen Production
- Geography
- History
- Italian Studies

An English course of study at university entrance level

### Behavioural Science
**Majors available:**
- Journalism
- Media
- Modern Greek Language
- Philosophy
- Politics & International Relations
- Social Justice Studies
- Theatre Studies
- Theology

An English course of study and Psychology at university entrance level

### Biomedical Science
**Majors available:**
- Accounting
- Economics
- Finance
- Human Resource Management

An English, Science and/or Chemistry course of study at university entrance level

### Commerce
**Majors available:**
- Accounting
- Economics
- Finance
- Human Resource Management
- Management
- Marketing
- Public Relations
- Sport & Recreation Management

An English, Mathematics, Accounting & Finance, and/or Economics course of study at university entrance level

### Communications & Media
**Majors available:**
- Journalism
- Film & Screen Production
- Media Studies

An English and Media Production & Analysis course of study at university entrance level

### Education
- Early Childhood
- Secondary
- Primary

An English and Mathematics course of study at university entrance level

### Exercise & Sport Science
An English, Human Biology, Mathematics, and/or Physical Education Studies course of study at university entrance level

### Health & Physical Education
An English, Human Biology, Mathematics and/or Physical Education Studies course of study at university entrance level

### Human Resource Management
An English and Mathematics course of study at university entrance level

### Law
An English, Literature, History, Politics & Law and/or LOTE courses of study at university entrance level

### Marketing & Public Relations
An English and Mathematics course of study at university entrance level

My lecturers helped me arrange work experience at the District Court which has given me a better understanding of the day-to-day realities of working in law. It’s really set the direction for my career.

Nicole Hannah
Law/Arts

The extensive amount of time allocated to doing practical work in the field is one aspect of the Physiotherapy course I particularly enjoy. It is a great feeling knowing the skills I learn here enabled me to help rehabilitate patients and improve their quality of life.

Hamish Watkins
Physiotherapy
