COURSE STRUCTURE
Graduate Certificate in Nursing Leadership and Management
UNDA Course Code: 4136
The Graduate Certificate in Nursing Leadership and Management is offered by the School of Nursing & Midwifery in collaboration with the Nursing and Midwifery Office (NMO), Western Australian Department of Health.

This program will provide the knowledge and skill to progressively enhance the leadership and management skills necessary to successfully operate in the practice setting. It is envisaged that the Registered Nurse who undertakes this program of study will consolidate and advance their leadership and management competence to enable them to function in that capacity within a variety of complex situations.

The duration of the program is one year of part-time study and attendance involves attendance to Master Classes held at the Department of Health.

Semester One
- Organisational Culture and Change
- Nursing Leadership Development Strategies

Semester Two
- Organisational Culture & Change Management in Nursing
- Nursing Perspective of Patient Care, Quality and Best Practice in Nursing

On completion of the four units of study, the student will exit with a Graduate Certificate in Nursing Leadership and Management which articulates with the Master of Nursing pathway. Pathway options are also available through the School of Business.

Graduate Diploma of Nursing
UNDA Course Code: 4086
Students undertake four further units of study provided by the School of Nursing & Midwifery or School of Business. These are chosen in discussion with the Postgraduate Coordinator. Students also have the option to enrol in the Graduate Diploma of Business.

Master of Nursing (Leadership and Management)
UNDA Course Code: 5114
The Master of Nursing (Leadership and Management) comprises of an additional two semesters of part-time study. Students are allocated a research supervisor to support them in their research engagement in an area relevant to their specialty of nursing practice.

MODE OF STUDY AND ASSESSMENT
The assessment of each unit is variable and may consist of tutorial presentations, case studies, written assignments, projects and journals.
